

How To Create Killer Bonuses

Kill Them With Value

Bonuses are an easy way to provide your customers with more than they pay for.

It's natural for anyone to desire to get more than what they are paying for, and your bonuses will do just that.

What Makes A Killer Bonus?

- ▷ Reports and eBooks
- ▷ Private Label Rights Content
- ▷ Videos
- ▷ Products You Can Deliver At A Later Time

What Makes A Killer Bonus?

- ▷ Interviews
- ▷ Graphics Packs
- ▷ Push Button Software or Plugins

Remember

It's natural for people to want to get more than what they are paying for with the initial product. By providing them something as a bonus that will help them achieve their goals will satisfy that desire and convert more to higher sales.

“Life is 10% what happens to you and 90% how you react to it”
